

RATCHET WRENCH

series

PARD®

PARD products speak for themselves.

Sometimes a product will say more about a business than any other promotional material. In some cases, the colour, the finish or simply the overall look and feel of this product will strike you as unique or different, from a different level of manufacturing.

Pard products belong to this category of products; they turn heads, attract the knowledgeable eye and speak volumes of the brand's commitment to high standards of manufacturing. In fact, we shouldn't really need to be telling you this. If you are reading this, you have probably already been charmed by one of Pard's products. Need we say any more?

Ratchet Wrench

- 1.General Hand Tools and Accessories.
- 2.Auto Repair Tools and Accessories.
- 3.This series includes Ratchet wrenches,
- 4.Products have multiple functions.

Features of the Products

Pard's design signature is a colourful print finish applied to each and every one of its MIT Driver series. But this is not only for cosmetic aesthetic improvements, the colour treatment helps the worker identify the right instantly. In addition to easy colour recognition , the worker is also able to differentiate between various sizes through it's Red and Black colour code.

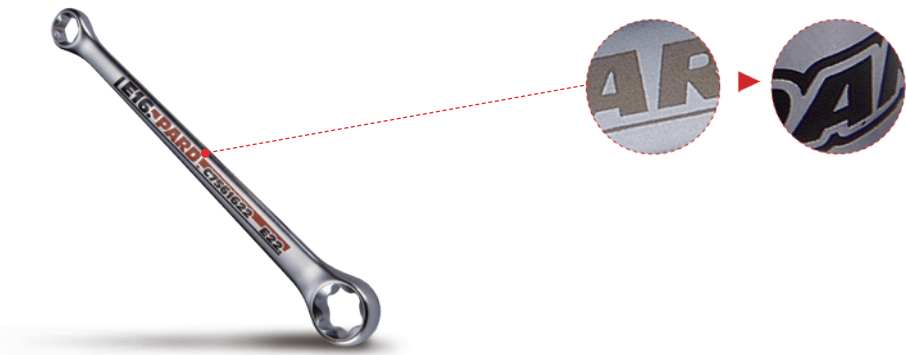

Application

General Hand Tools
General Auto Repair Hand Tools

Features of the Products

Special printing finish to make the products more noticeable.
Two colour print on product surface to differentiate tool sizes.

Contents

- 1/4", 3/8", and 1/2" MIT DRIVER Sockets
- MIT DRIVER Wrenches
- 1/4", 3/8", and 1/2" MIT DRIVER Socket Sets
- MIT DRIVER Wrench Sets
